DIGITS

BOURBON WHISKEY

46% ALC. VOL [92 PROOF]

Digits is a collaboration between Scottie Pippen and Dave Phinney that focuses on distinguished and mature Bourbon Whiskey.

SOURCING: The barrels were procured from several tiny lots from Tennessee. Scottie and Dave hand-selected each barrel to craft a Bourbon that is polished, lush and full of flavor.

BARRELS: Aged for a minimum of four years in new charred American oak barrels. The aging process began in Tennessee and was finished at the Savage & Cooke distillery on historic Mare Island.

PROFILE: Rich and intense with appealing notes of brown sugar, toasty oak and dark cherry. Smooth with no hard edges, as Scottie likes to say, with attractive caramel, vanilla bean and dark chocolate flavors. Lengthy, classy and intriguing, just like it's creator.

"I imagined an easy-sipping Bourbon that loves you back. A Bourbon with a velvety texture and an undeniable lushness. One that packs the flavor and keeps you coming back for more. The final blend is just that and I couldn't be more proud."
